About PubScholars Group – Mental Health Conference 2025 – Hybrid Event

Vision: Connecting Minds, Advancing Science

Who We Are PubScholars Group is dedicated to advancing scientific dialogue across a wide spectrum of disciplines, with a strong emphasis on mental health and behavioral sciences. Through flagship events like the Mental Health Conference 2025 – hybrid, we unite global psychiatrists, psychologists, mental health professionals, researchers, and advocates in an immersive digital environment designed to exchange transformative insights and foster collaboration.

The Organizing Committee of the Mental Health Conference 2025 – Virtual warmly invites you to be part of this highly anticipated international gathering, taking place hybrid on November 15-16, 2025.

This conference is a unique platform designed to bring together mental health professionals, neurologists, neuroscientists, psychologists, psychiatrists, researchers, clinicians, educators, and policymakers from across the globe. The aim is to foster dialogue, exchange evidence-based knowledge, and promote collaboration to address pressing challenges and breakthroughs in mental health care.

Be a part of Mental Health Conference 2025 – Hybrid event and position your brand at the forefront of global conversations shaping the future of mental wellness.

Where advocacy meets science — and innovation leads to impact.
